## Tartar Offense Shuffled For Tilt With St. Monica Saturday

The Torrance Tartars, recuperating after their 33-6 defeat by Redondo High last week, have had an emphasis placed on offense this week in preparation for their non-league game Saturday night with Saint Monica in the Redondo Bowl.

With the return of Tom Faren,

**BACK IN BOWL . . . . .**  
Tony Grich (above), sensational but unorthodox San Pedro middleweight, will fight George Holmes of Los Angeles in the main event of the amateur boxing show at the Wilmington Bowl tomorrow night, a rematch of their fight at Southwest arena 10 days ago when Holmes stopped Grich's 17-fight winning streak.

## Torrance B's Play Tomorrow

The Torrance B team will meet the Saint Monica Junior varsity at 2:45 p.m. tomorrow (Friday) afternoon on the Torrance high school field. The game was scheduled on an open date in the B schedule and is a non-league contest.

## Sportsmanship Code For Bay League Given

A 10-point Sportsmanship code was adopted at the meeting of the Bay league held Monday evening in Beverly Hills high school. Representing Torrance High were Arthur M. Main, vice principal, and Coaches Eddie Cole and Cliff Graybehl.

The league Sportsmanship trophy will be awarded to the Bay league school whose rooting section best adheres to the following code:

1. No booing of penalties.
  2. No criticism of officials in any form.
  3. No encouragement of enmity between players.
  4. Cooperation with yell and song leaders.
  5. No booing of opponents yells.
  6. No leaving of bleachers onto playing field.
  7. No rough-housing in bleachers.
  8. No throwing of various objects.
  9. No use of bells, horns or other noise makers.
  10. No after-game rowdiness.
- The league will send judges to all games and schools will receive a score for their conduct. A maximum of 10 points will be awarded on each of the 10 items with the trophy to be awarded to that school that amasses the highest score for the season.

## New Basket Loop Planned

The formation of a basketball league from among the men enrolled in the Wednesday evening adult gym class at Torrance high school has been suggested by Elmer "Red" Moon of the City Recreation department.

The gym class meets under the direction of Eddie Cole, Torrance head football coach, from 7 to 9 p.m. each Wednesday in the high school gym. At present the class has been playing basketball but not in organized teams or leagues.

However, with the end of the

fullback, who was sidelined during the Redondo game with a bad knee, Eddie Cole's starting backfield will be made up of Dick Rupert at quarter, Jack Taylor at right half, either Bill Morgan at left half, and Faren at full.

The Tartars will be at top strength for this week's game and will be seeking their first victory of the season. In an attempt to pep-up his backfield, Cole is alternating the backs and making them learn all the plays at all positions.

Torrance also will shift its signal calling duties from the quarterback to other positions. Faren, Morgan, Turner, all the backs have had a chance at master-minding the team during this week's practice sessions, although the final decision on the field general job will not be known until just before the game.

In the line Onal Harris, completely recovered from a bruised shoulder suffered in early practice, will start the game at a guard spot on his fighting performances during practice.

Dom Donatoni gets the nod over Al Stephenson at left tackle this week, as does Bob Jones at left end. Jones, a big 200-lb. flanker, showed up well against Redondo. He had been alternating with Dick Preston at that spot, but Preston seems to be an "on again, off again" performer, who played a sparkling game against Covina and bogged down last week.

The Saint Monica Mariners, Torrance's foes this week, have been caught by a mid-season change of coaches that forced the postponement of their game last week against Villanova. The new coach is Pete Bregada, All-Bay league end at Santa Monica High in 1935 and '36, and a star player at the University of San Francisco. He replaced Fred Erdhaus.

So, the local lads will not know what to expect nor whether to judge the Mariners on past performances. In the Catholic school's first game in the Catholic grid carnival, they beat St. Augustine of San Diego 12-0. Saint Monica was trampled by Cathedral High, 44-0, in its last time out under Erdhaus and just what Bregada plans to do with his material is not known.

This material is big and beefy. The Mariner tackles, Al and Ferdie Smith, weigh 200 and 205 pounds respectively and next to Al at guard is Walt Spellman, another 200-pounder.

## Lemos In Bowl Main Event

Don Lemos, little brother of former world champion, Ritchey Lemos, and a veteran of some 50 fights against the best welterweights on the Pacific Coast, will attempt to stop the sensational rise of Charlie Daniels, hard-knocking Pittsburgh Negro, in the 10-round main event of the pro fight show at the Wilmington Bowl Wednesday night.

Lemos is just back from a successful tour in Northern California, and is confident of halting the Pittsburgh whirlwind, who has won eight out of nine fights in a Pacific coast invasion by kayo, and who's challenging for the world title.

Daniels appeared in the opening show at the Bowl three weeks ago against Jackie Byrd, and pounded out a seventh round T.K.O. before a near overflow house.

**HE WOULDN'T BUY**  
In 1777 James Madison, who later became President of the United States, refused to treat the electors to rum and punch, after the custom of the time; consequently, he was not re-elected to his state convention, according to the Encyclopaedia Britannica.

football season, the possibility of the entry of a team from the class into the regular city league or the formation of a league made up exclusively from persons in the Wednesday evening class, will depend upon the number interested. Moon and Cole will work together on the project.
